# LEND A HELPING HAND ON SAFARI<sup>SM</sup>

HOW A SAFARI CAN CHANGE A LIFE....

*If you can't feed a hundred people, then feed just one.*

—MOTHER TERESA

Every Micato traveller is given the opportunity to change the course of a life. We invite guests to spend an extra day in Nairobi and visit one of our AmericaShare projects in the slums, learn of the challenges, meet the orphaned and vulnerable children and be inspired to help.

And they have. Thanks to their generosity, hundreds of children are off the streets and into good boarding schools with a warm and safe home to return to during holidays.

While safaris may be our profession, these children are our passion. Micato and its non-profit arm, AmericaShare, support over one thousand children in schools and orphanages around Nairobi. There are millions of children in Africa abandoned or orphaned as a result of the AIDS pandemic and this your chance to make a difference.

What would you do during a visit? Bounce babies on your knee. Share jokes with youngsters. Talk about your profession to teenagers. Sing and dance. Plant a tree. Serve a meal. Or simply be a bridge of information and exchange between cultures. Micato travellers come to Africa for the wildlife but leave in love with the people.

Lives have been changed—and not just the children's.
