Destinations for your 2017 Bucket List

Excerpted from an article by Lark Gould

Per Chance to Dream. If dreams, as Freud noted, are the primary pathways to the subconscious, a dream-worthy travel bucket list is a good way to start the journey of fulfillment in becoming a whole and knowing person. A great plan for 2017 might be to get a start on that lofty aim...

Kenya

Micato Safaris heads deep into the wilds of Kenya and East Africa to reveal the true secrets of the plains. See it all with a 17-day [African Splendour](#) safari or create your own dream of Africa with itineraries you can design yourself. Bespoke or classic, elephants or chimpanzees, lodges or luxury tents... Africa is calling and yours for the choosing. Micato's non-profit arm, AmericaShare, gives back with every tour.
