The highlight of Micato Safaris' custom 12-day trip is **the newly formed Kavango-Zambezi Transfrontier Conservation Area** in the country's northeastern corner, where river life, including hippos, elephants, and an abundance of birds, makes a great counterpoint to the desert west. *Departures: Any day through 2014; from \$30,000.*

Lions spook Burchell's zebras away from their watering hole in Etosha National Park.
