Marion Miller

Miller has been crafting fully escorted India itineraries for more than 20 years. She excels at trips that hit all of the popular destinations—Agra, New Delhi, Jaipur—while adding special experiences along the way. If you're in town for the annual Hindu festival Holi, for instance, Miller will set you up with a guide to experience the event in a residential area before dining with a local family and ending the day with a celebration in the private quarters of the maharajah. *Additional specialties: Sri Lanka, Nepal, and Bhutan; minimum daily spend: \$1,000; 212-545-7111; mmiller@micato.com.*
